Cran-DM

Suggested Dosage:
Adult: 2 Capsules once a day
after meals

Cran-DM is a blend of Cranberry Extract, Sugar D-Mannose and Cranpure™, that synergistically help maintain good Health.

Vaccinium macrocarpon, commonly known as Cranberry, is a rich source of phytochemicals such as flavonoids, catechins, triterpenoids, organic acids, vitamins and tannins such as proanthocyanidins (PACs). Cranberry also provides antioxidant support. Numerous reported clinical studies validate the use of Cranberry extract in the maintenance of healthy body.

D-mannose is a simple sugar found in fruits like cranberries and peaches. D-Mannose have been reported to contain beneficial health properties. It is produced in the body from glucose but in small quantities. Hence the body needs to be supplemented with D-Mannose through nutritional supplements.

With the synergistic effect of ingredients such as Cranberry extract and D-Mannose, Cran-DM is a natural and beneficial supplement to help maintain healthy body in women and men.

Each Capsule contains:

Ingredient	Quantity per Capsule
<i>Vaccinium macrocarpon</i> fruit extract, (Providing 70 mg D-mannose)	200 mg
D-Mannose	100 mg
<i>Vaccinium macrocarpon</i> fruit extract (Providing 1.25 mg D-mannose)	5 mg
