

# Wake Up To Radiance

Pamper your skin with this luxurious night brightening cream that revitalizes skin after daily exposure to external stressors. Upon waking, skin looks radiant, supple and smoother to touch.

# 4 Key powerful

**PhytoBright™ ingredients** that are inspired by ayurveda, perfected by modern science

The Night Cream contains exclusive Sabinsa patented gentle phytonutrient botanical extracts called the PhytoBright™ Complex. Each of the ingredients have been evaluated for their skin lightening properties and modern beauty science using *in vitro* techniques and clinical trials.

### SabiWhite®\*

This colour free curcumin slows down melanogenesis (formation of melanin) by inhibiting the action of tyrosinase, an enzyme that participates in melanin formation.

Offers topical antioxidant protection. The free radical scavenging activity of SabiWhite®\* was found to be far superior to other popular ingredients used in cosmetic formulations.

### Licorice

Licorice contains glabridin, a unique molecule which is known for its skin lightening properties by inhibiting tyrosinase.

Licorice possesses potent and effective anti-inflammatory and antioxidant properties to give smooth glowing skin.

### pTeroWhite®\*

Pterostilbene rich Indian kino extract is known to have a powerful antioxidant activity that lightens skin tone.

Valuable adjunct to after sun care by melanogenesis inhibition and managing hyper pigmentation.

### Cosmoperine®\*

A “Dermal Penetration Enhancer” that helps better absorption of all the PhytoBright™ nutrients and actives.

Cosmoperine®\* is also safe since it shows no signs of dermal or ocular irritation.

## Additional Ingredients in Whitening Night Cream

**CosmeVit DCx:** A power house of skin nutrients that provide a holistic approach to manage healthy and glowing skin.

**Melacare:** A blend of oils from *Eremanthus erythropappus* (Candeia tree) flowers and leaf, *Camellia japonica* seed and *Oxalis triangularis* (Love Plant). MelaCare Oil can improve the texture and tone of skin by reducing melanin content and inhibiting tyrosinase activity.

### Directions:

Apply at night to cleansed face and neck by lightly massaging in small circular motion.

- ✓ Alcohol Free
